Practice generally consists of 2 or 3 games and lasts a couple hours.

Bowling 3 games is encouraged, since that is what is required for the tournaments, but it is not required for practices. Please note that practices MAY BE cancelled due to high school bowling tournaments as those dates are not scheduled yet.

As always, there will be County (October), Area (November in Merr/Hobart) and State (December in Indianapolis) tournaments. Advancement in the tournaments is based on qualification from previous tournaments. Not all bowlers will be able to bowl all tournaments. More information to be announced later.
